## Class of '67

...d in its many accomplishments are sponsors of the best Junior Prom ever to be held, winners of the inter-class relay two years in a row, victors over the class of '68 in Powder Puff, and the first class to beat the faculty in the Senior Jubilee.

The members of this class who have accomplished so much will certainly find themselves distinguished in the world.

## Juniors

The members of the Class of '68 proved themselves as dynamic upperclassmen. Aiming high, the ingenious Juniors cleaned up the student body when they had a shoe shine in December. Their enthusiasm was bolstered by the rewarding of their efforts during spirit week. Having worked many months on hall decorations, the Class of '68 provided a circus extravaganza for the entire school. On April 21, the class of 1968 honored the Senior Class by presenting the best Junior Prom in the history of Cupertino.

## Sophomores

This year's Sophomore Class has shown great skill at passing the difficult age — more than a Freshman, less than an upperclassman. Last year they showed their enthusiasm by winning the inter-class spirit trophy, and at press time were again leading the school in this competition. To plan for exciting (and expensive) years as Juniors and Seniors many fund raising activities are in the offing. In a traditional vein a bake sale is prepared. But their main activity will be something totally new at Cupertino—a Computer Dance, to be held in April.

## Freshmen

In less than a year, their chosen leaders, class advisors, and the example of the upperclassmen the Freshmen Class has gained a firm foothold on high school life. Through many fund raising activities, the Class of '70 is well on its way to being a financially successful class. Well planned rallies and enjoyable dances were only two areas in which the frosh excelled. Showing great ability in leadership, sports, and all around activity, the members of the Freshmen Class can look forward to many great moments while attending Cupertino High.

## Pep Girls

Because it is the responsibility of the Pep Girls to encourage and develop school spirit, their tasks encompass a wide variety of activities. At least a week's work is behind the preparation of run-throughs, which are carefully made only to be destroyed in an instant. Then there are innumerable posters to be painted—check outside Mr. Cates' room almost any seventh period. The football field and the basketball court must be decorated for all home games. Finally, it's the work of the Pep Girls to supervise the Pep Club and to keep accounts of Club points.

This year's "girls in red" are Jan Finn, Liz Hawes, Maureen Manley, Jan Shanahan, and Claudia Ward.

## Cupertino Bands

The Cupertino Middle School Band has progressed to the spotless 10th place with the bands new corps marking step and is making its first appearance at Birdmen Day, May 18, at the San Jose Civic Auditorium. The Concert Band played several pieces at the Christmas program and participated in the Pops Concert in March. The Pep Band raised the spirit at the pep rally games during game days.

Six Pep band members earned membership in the tenth annual State Honor Band. Those honored were Gary Bertson, percussion; Jim Fife, cello; Alan Lee French horn; Richard McRacken tuba; Dennis Malone baritone; Jerry D. Shapiro clarinet. And a total of seventeen Cupertino bandsmen won County Honor Band awards.

## Vocal and Orchestral Music

After a busy fall of rigorous rehearsals, the Cupertino Choirs opened their season with Christmas Carols at Valley Fair Shopping Center. With little time for rest, they then provided all vocal music for the school Christmas program. Two spring concerts, one Pops, completed the year's activities. At press time, Mr. Gary Gober, our new choir director, indicated that the A Cappella Choir hoped to participate for the first time in the Bay Area Vocal Music Festival.

The string orchestra, under the direction of Mr. Gomez accompanied the vocalists in the school's production of *Oklahoma*. This group also took part in the spring concert.

## Key Club

Key Club is up to the highest project connected with the sports. Key Club officers prepare games, plan the contest, enter and sell the raffle tickets. In May, after the basketball last year, they prepared the most unique game day yet, Teq Ball.

The Christmas Fair was the first event of the year. After school starts, it is held on the first Friday. Money was collected from students to help purchase for Key Club donations.

## CHSS

This year the Cupertino High Service Society ranked as the messiest club on campus. Under the guidance of Mrs. Jensen, the dedicated members of CHSS served at the speech contest sponsored by CHS and made arbors for Homecoming. They are however most remembered for their service at the faculty breakfast and the CSF banquet.

In order to be a member students must be accepted by the active members of CHSS and then must prove their willingness to serve by performing 50 hours of work. These 50 hours prove to be a time of enjoyment rather than work, as was shown by the eagerness of the CHSS members.

LETTERMAN'S CLUB

# All-American Girls

Will ness to work and serve the community is the basic requirement for an All-American Girl. This service club is made up of sophomore, junior, and senior girls who devote much time and enthusiasm to help others. The girls sent food to the Grant Convalescent Home over Christmas and donated money to the orphans of the Ming Quang Home. Another yearly project was sponsoring the Valentine's Dance. These young ladies can be recognized as the annual new members come to school for a day in rather weird attire such as the home made crazy bonnets they wore this year.

## Altruettes

Altruettes was formed to honor those girls who excelled in both scholarship and service. Its purpose is to provide service to any organization that requests the club's aid. It is under the capable leadership of Mrs. Stark.

Some of its outstanding activities have been working with Our Lady of Fatima, the Ming Quong Orphanage, and the City of Hope. The girls also decorate for school dances and serve as guides during Freshman orientation.

# "Miracle Worker"

The Miracle Worker is a 1962 film directed by Robert Mulligan and based on the 1959 Broadway play of the same name by William Gibson. It stars Anne Bancroft as Helen Keller and Patty Duke as her teacher, Anne Sullivan. The film follows the young Sullivan as she attempts to communicate with the deaf and blind Keller. The story is set in turn-of-the-century New York City and depicts the challenges of early 20th-century deaf education.

## Nugget

Want to make a memory of school this year the staff has tried to be original and inventive. Along with the additional feature of color in the introduction the staff has tried to provide both interesting photos and lay outs. Under the patient and exacting eye of advisor Mr. Pence and co editors Sue Tanaka and Marilyn Moss the staff has worked hard after school and on Saturday to produce a yearbook we hope to be proud of.

The first ingredient of a yearbook is pictures. Out of all the ones taken the ones that are the most visually appealing especially in areas as the introduction and candids are hopefully chosen. Then there is the problem in group shots of identification of individuals and perhaps unsuccesful. Not only must the pictures themselves be interesting but the way they are arranged on the page must also be good. This problem of lay out is what probably takes more time than any other. Finally such details as headlines and copy which shouldn't be too large are taken care of. After all is ready the book is put into an envelope and shipped to the publisher. Then hope for the best!

Alberto Orlandi left his home in Italy when he was 16 years old. He had a desire to study English and American literature. After a year of study he began to realize that he wanted to go to America to continue his studies. He traveled to the United States.

Alberto Orlandi left his home in Italy and study in America. At a writing class in Kent, he noticed that American students seemed more interested in him than students in Italy. For the next year, Alberto studied English literature, American literature, French, Spanish, and Italian. Alberto's American wife will reside with Mr. and Mrs. John A. Orlandi.

## Sophologists' Society

A group of Sophologists' Society members recently gathered at the University of San Francisco to discuss their interest in the Chihuahua dog. The meeting was organized by Dr. Alice C. Gandy, a member of the Society. The group consists of approximately 20 members who are interested in the breed and its care. They meet monthly to exchange information and ideas about raising and caring for Chihuahuas.

## Medical Club

The Cutie-Cats Medical Club participated in the 1970 Health Fair held at the members with various aspects of the new expansion Hospital facility. Both the University of Francisco were visited and visited by the various Health Careers Conference which was held at the San Jose City College this year. Dog stories and the animals were presented to the children in the two hospitals and the various senior centers and rest homes for the elderly.

# Preparing For The Future

Every day at 1:45, members of the Future Teachers of America leave school to teach at DeVargas Elementary School. They gain valuable experience that will later help them as teachers. This year, some of the members attended a teaching convention in Sacramento and a dinner held at Foothill Junior College.

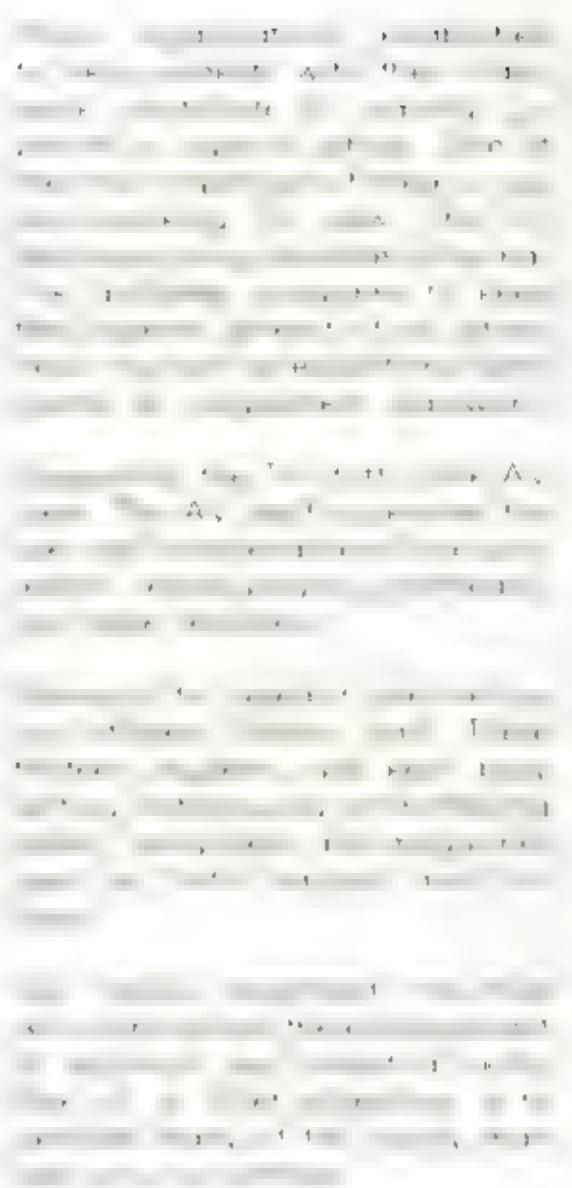

**Future Homemakers of America** gives girls the opportunity to perfect their work in the particular field of interest they find most challenging. The club's most important job is the annual fashion show this year to be held on March 1.

Aiding business students, FBLA provides field trips, lectures, and movies. The club strives to prepare students to meet the demands of the business world. It also teaches them proper etiquette when applying for a job or attending an interview.

## SCVAL Champions

The 1966 Varsity Cross Country team displayed its greatest depth and talent in Cupertino history. With Gary Hansen, Russ Danielson, Doug Hansen, and Jerry Tompsett all selected as All League and Russ Danielson, Charles Waldman, Jeff McKay, and Tom Young supplying the depth, the team swept to successive championship titles in the FUHSD and SCVAL finals. The team then placed second

in the CCS Finals, and were then ranked 4th in the Nation.

The JV team also did well, placing third in the CCS Finals and fourth in the State Finals. The Frosh team worked hard and did outstanding jobs. The JV's finished 2nd in the league, with the Sophomore JV Frosh also finishing respectably.

## Water Polo Looks Ahead

Plagued by early season bad breaks, the Varsity water polo team finished its season with a 1-8 record in the tough SCVAL League. Leadership and enthusiasm were displayed by Gary Bergholdt, Most Inspirational Player, and Pat Campbell, Most Valuable Player.

The Fresh Soph squad swam to a 2-7 win loss record. They were led by Chris Holt who received the Most Valuable Player award.

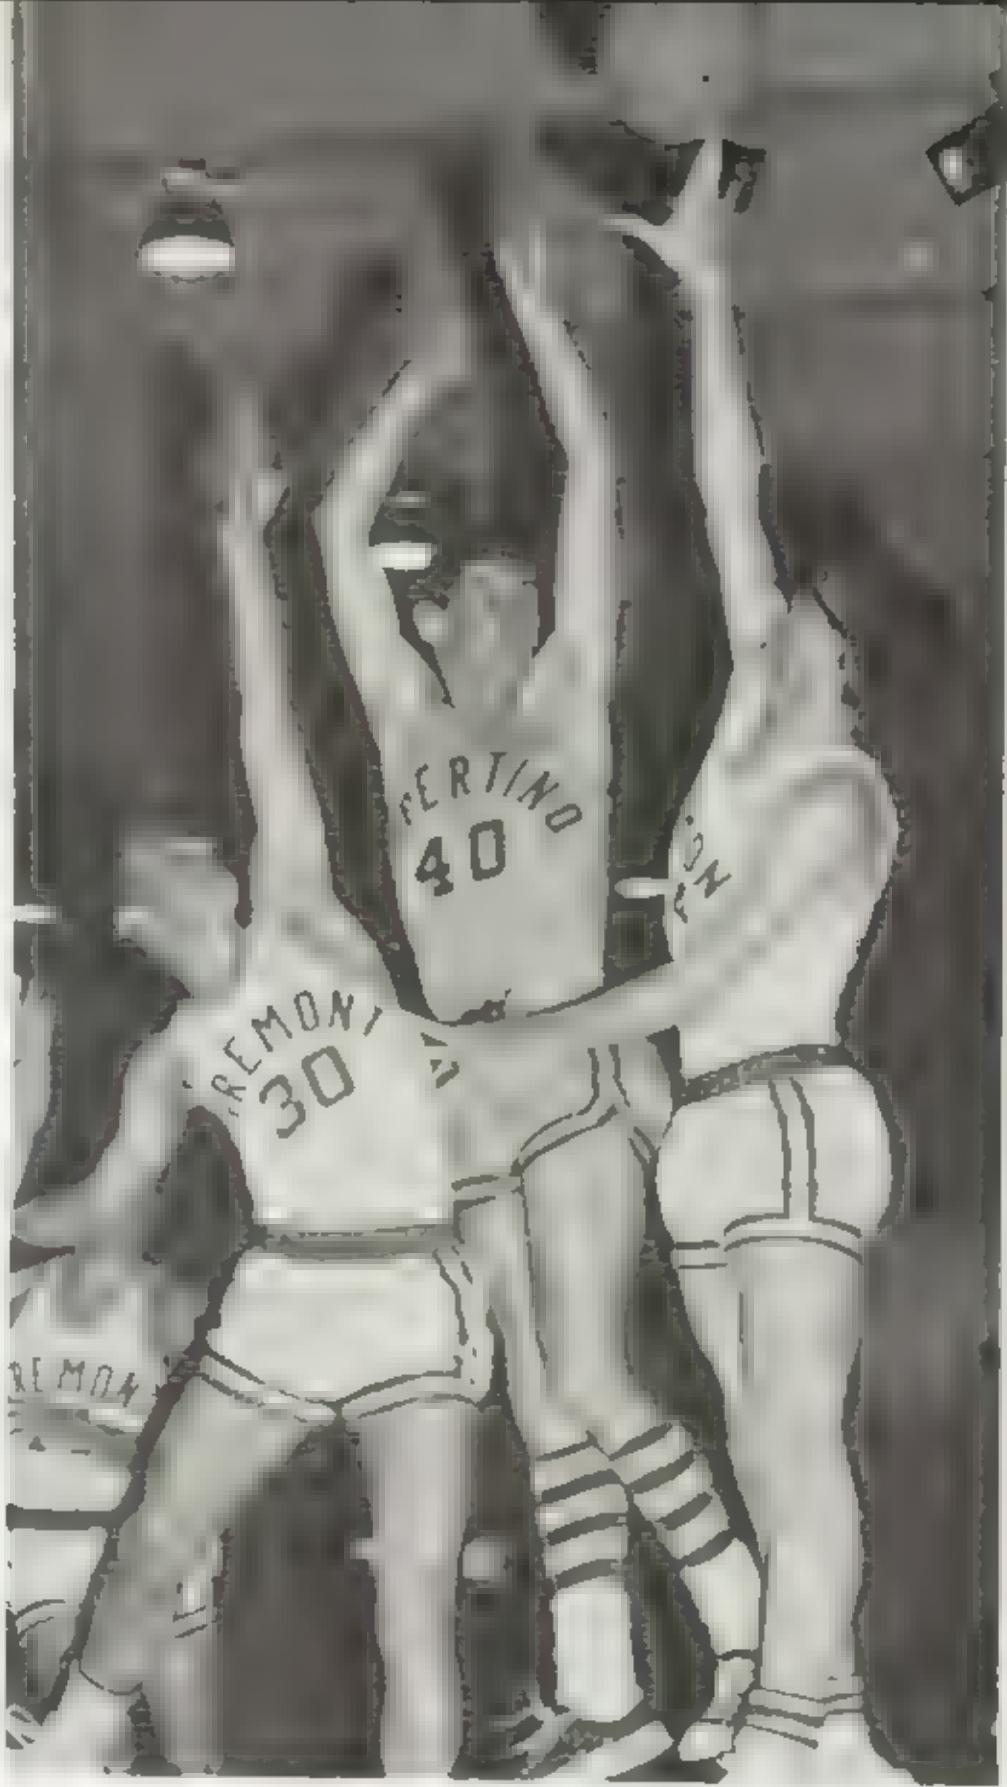

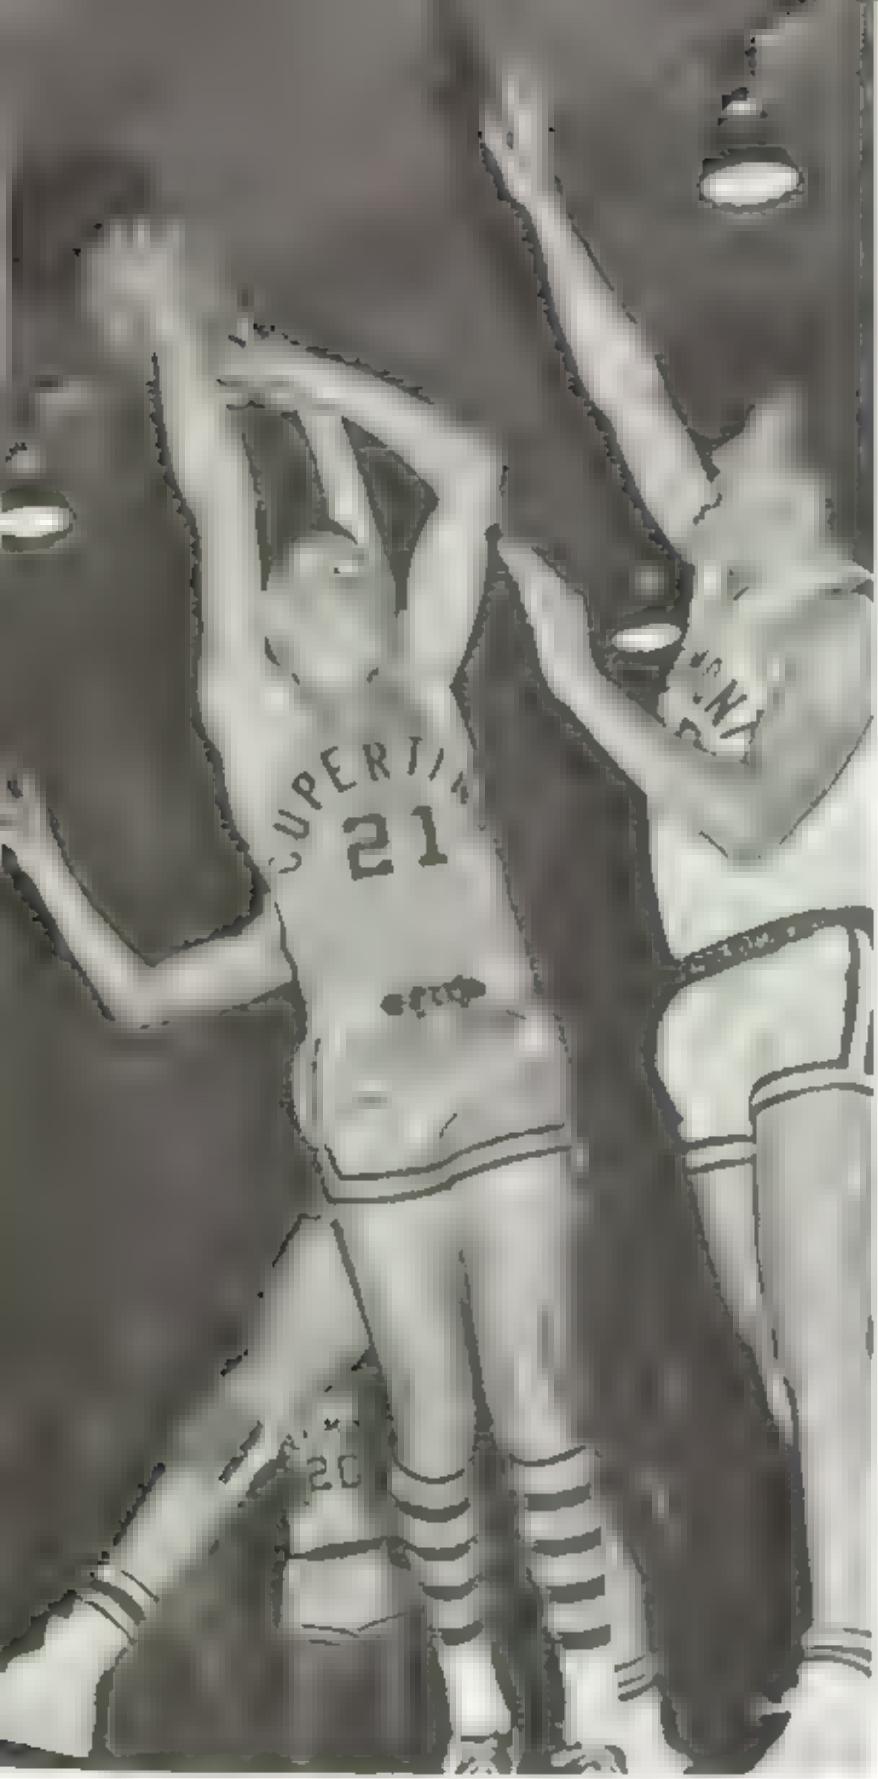

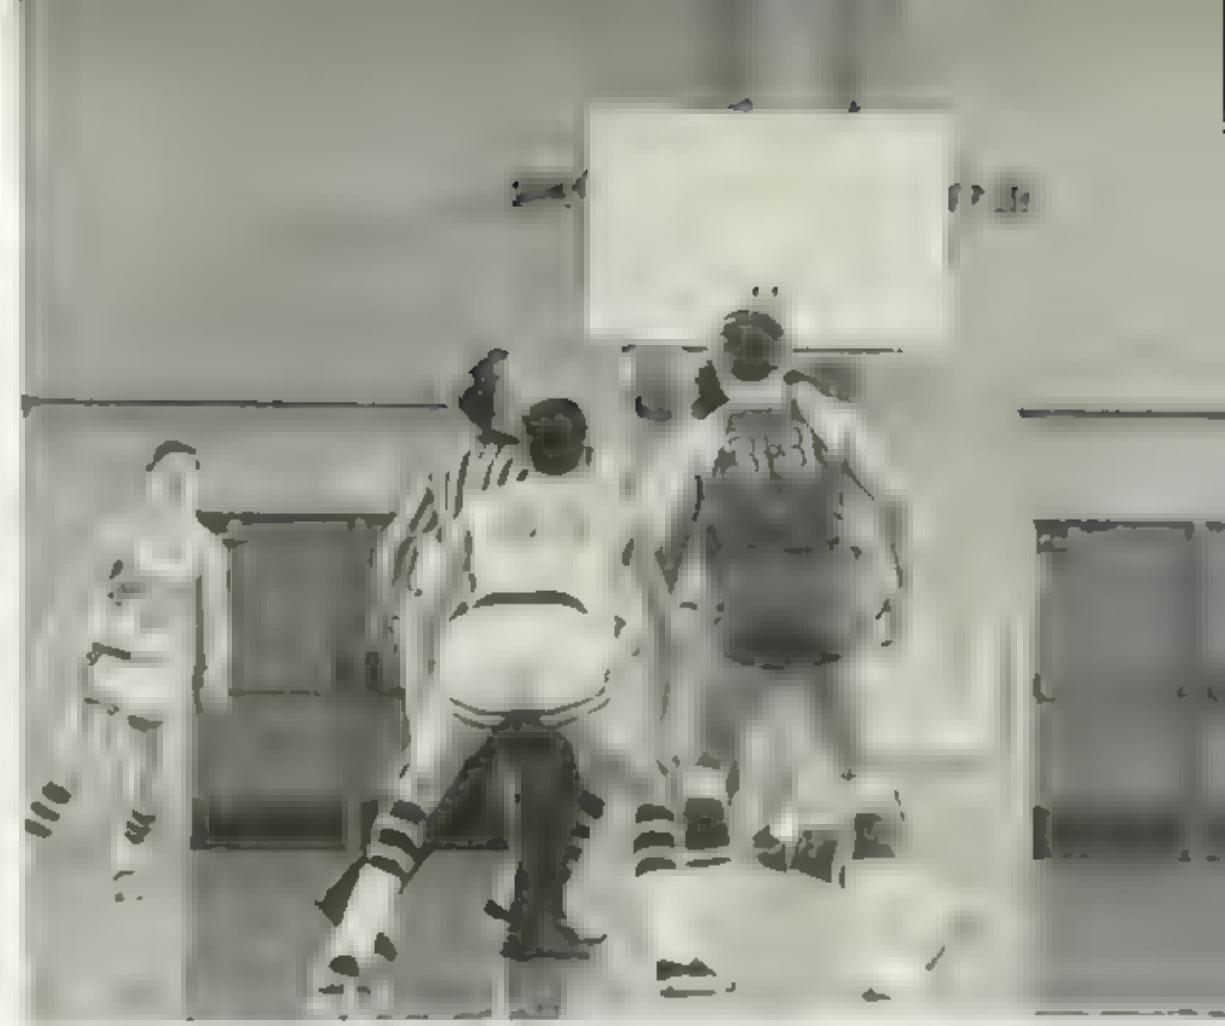

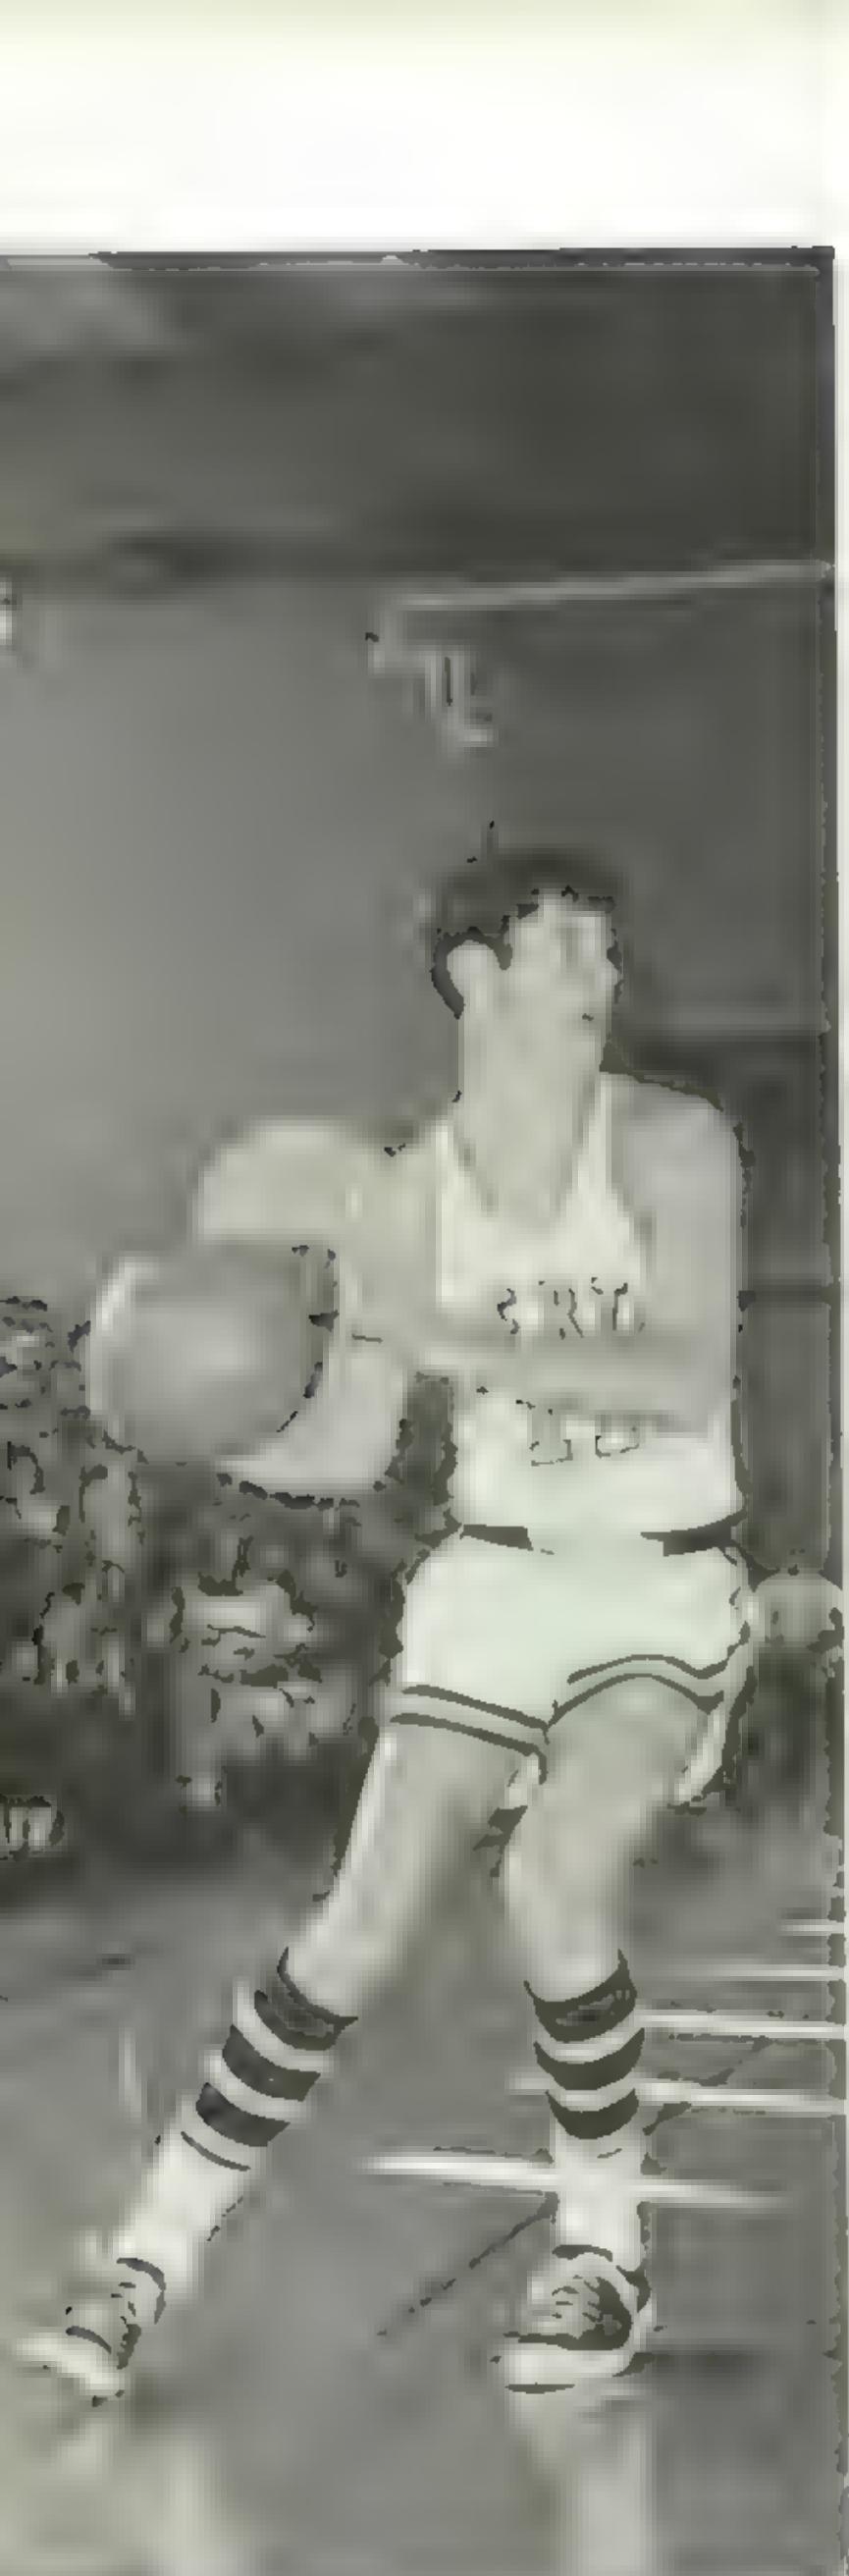

# SCVAL Champs

Cupertino can be proud of a job well done. Combining its greatest ever depth and talent with hard work and smart practice, the Cougars have come far enough to be Number 1 in the SCVAL. Not only did Cupertino win the league title, but it also won the Central Coast Section Division 1 title, defeating San Jose Christian 55-49 in the final. The Cougars' offense was led by two All League players, Rick Korte and Mike McGory. Both players hit 11 three-pointers and both broke the Cuppers' single-game record for three-pointers made. While McGory scored 28 points, Korte set the current standard with 31 points against Wilcox. McGory also had three outstanding performances and a 19-0 season. He was chosen as the All Mid Peninsula forward.

While John Dybvig controlled play at the pivot position

guards John Myers and Dave Saraceno showed opponents their great skill in ball handling and superior shooting. With Korte's driving inside moves and Korte's fine corner shots, the Pioneers won the game.

## C's—League Champs

The C's, coached by Mr. Ferdinandsen earned a first ever basketball championship for Cupertino in 1966. With a superior first-string and fine reserve help, the C's boasted to a 10-1 record only to be tied for first place honors with Fremont. They were led by most valuable player Tim Quinlan, and captain Frank Vivion. Others doing a fine job all season for the champs were Kirk Rowell, Steve Korte, and Gary Filizetti.

# Sports Class

Sports Class has represented our school for five years in girls competition. At the contests are not only public schools, but perfect their skills in sports from many areas.

Sports Class sponsored several activities for the club itself. These included the annual golf tournament, and Aquatics Team competition. A party held in the spring which featured imitation movie food awards was the most important social function.

The year after the first year, the club became more popular, and the number of members increased. Historian, Jan Brush, is now president of the sports commission. The club also has a new president who actually founded the organization.

# There Is A Time

'There Is a Time' was the title of this year's modern dance show, put on by the girls in Sports Class. It was presented Feb. 9, in the auditorium. Many new things happened this year to make the dance show different from the ones of previous years.

For one thing, those who had expected to see only female performers were proved wrong when some of the dancers were Chuck Spoerri, Gary Voss, and Robin Welch.

Not only was this new, but some of the girls made a psych backdrop to help with the lighting. Mr. Buses and his crew were able to give each dance a new dimension in lighting.

The dances this year covered a wide range. On the serious and sad side were 'Time Has Heavy Handles' and 'Sea Shadow', choreographed and danced by the show's director Mrs. Carlson. On the light side was 'The Hobos'. Toward the different and unusual were dances like 'Abstractions', 'The Journey', and 'The Infection'.
